Mrs. Russell Elliott represented the Auxiliary in these services.

Vincent Lagroue, Memorial Chairman of the American Legion expresses his thanks to all who helped with the Memorial Services. Dr. Laurent Dickson ordered the 150 American Flags for the Legion members to place on the deceased veterans graves in Hancock County. Legion members participating in the memorial services were Vincent Lagroue, John D. Rutherford, Jr. and Lucien Kidd.

NEW CATHOLIC PASTOR—Pictured above is Monsignor Michael J. McCarthy, who has been appointed by Bishop Gerow, as the new pastor of Our Lady of the Gulf parish. Monsignor McCarthy, who comes here from Laurel, where he has served as pastor for the past three years, will fill the vacancy left by the death of Monsignor A. J. Gmelch, who served as head of the local parish for 37 years.

Monsignor Michael J. McCarthy has been appointed as the new pastor of Our Lady of the Gulf Church.

Monsignor McCarthy comes to Bay St. Louis from the Immaculate Conception Church in Laurel, where he has served as pastor for the past three years.

In a telephone interview with the new leader of the Catholic parish here, Monsignor McCarthy told the Sea Coast Echo, "It was a complete surprise to me when I received word that I was appointed by the Bishop to replace Monsignor Gmelch at Our Lady of the Gulf."

"As far as any immediate plans are concerned," Monsignor McCarthy said, "I don't have any plans at this time. In fact, I know nothing about the place. I have only visited there a few times. I knew Monsignor Gmelch and respected him very much."

Monsignor McCarthy will not arrive here until the latter part of next week or perhaps even later.

But he emphatically stated, "I am looking forward to arriving at Our Lady of the Gulf as soon as possible."

"I will be delayed because I have to attend the ordination of two young men in Canton and Jackson Saturday and Sunday. I know these young men well and feel that I should attend their ordination to the priesthood."

After that we have our annual retreat at Pine Hills, so it will probably be a week or more before I can assume my duties in Bay St. Louis."

Monsignor McCarthy, who comes here to fill the vacancy left by the death of Monsignor Gmelch, who served as pastor of the local parish for 37 years, was born in Ireland in 1905.

He was educated in the National Schools and then entered the seminary at Mount Mellary in Waterford County.

From there, the young candidate for priesthood transferred to Mingert College in Limerick. After his studies there had been completed Michael McCarthy was sent to Rome to attend the North American College for further study.

He was ordained in 1929 by Cardinal Pompili at the Lateran Cathedral in Rome and the following year he came to the United States and was assigned as the assistant at the Cathedral in Natchez and as the secretary to the Bishop.

In 1933 Father McCarthy was appointed rector of St. Mary's Cathedral in Natchez.

In October of 1943 Father McCarthy was named the assistant pastor at the Sacred Heart Church in Canton, where he served for nine years.

Following his stay there, he was stationed in Laurel as pastor of the Immaculate Conception Church.

Last December 21, Father McCarthy celebrated his 25th anniversary in the priesthood and a little over a week later he was appointed a Monsignor by Pope Pius XII.

He was made a Monsignor at St. Peter's Church in Jackson on March 22 of this year by the Most Rev. R. O. Gerow, Bishop of Natchez.

When Monsignor McCarthy reached his 25th year in the priesthood the congregation of the Immaculate Conception Church held a special celebration in honor of its pastor.

The Laurel pastor was commended for the fine work he had accomplished in Laurel and the surrounding territories during his two years there.

It was especially noted that during his time in Laurel, Monsignor McCarthy had been very active in the sports, schools, religion, and other activities of the parish.

MISS HOSPITALITY TO BE SELECTED AT HOTEL, JUNE 10

The 1955 Miss Hospitality in Hancock County will be chosen on June 10th at the Hotel Reed.

The winner will be crowned by last year's Miss Hospitality, Karen Kergosien.

The local winner will be given a certain amount of money to cover the expenses of her wardrobe which she will use in competition for the State title of Miss Hospitality.

25 are eligible for the contest. The Miss Hospitality contest is not just a beauty

contest, although attractive personal appearance is an important factor. Other points on which the judges select the winner are personality, alert without being forward or self centered. She should have a friendly spirit that is natural.

Any girl who is interested in entering the local contest can do so by contacting Mrs. Mabel Green at the Chamber of Commerce.

DICK MERRITT, MRS. FOOTE TAKE PASS ISLES GOLF TOURNEY

Steady-stroking Dick Merritt of Bay St. Louis, combining a powerful long game with approaches of deadly accuracy turned back the courageous challenger, Roy Capehart of Pass Christian, 3 and 2, to win the first men's championship of the Pass Christian Isles Golf Club.

The ladies titleholder is tall El Foote of Waveland. She nosed out little Iva May McDonald of Bay St. Louis, 1 up, on the last stroke of the last hole.

In the men's class B, Ben McGinnis, Jr., defeated Joe Comeaux 4 and 2, and in Class C, Hudson Wolfe, Jr., won over Ed Glusman 3 and 2. In the Women's Class B, Dorothy David defeated Catherine Purchner 1-up, and in Class C the champ is Jane Bassett, 6 and 5 winner over Catherine Griffon.

Trophies were presented at a barbecue immediately after the matches ended Saturday at 5 p. m. The club will vote in its new board of directors and officers.

Legion Poppies Make \$151.32

A total of \$151.32 was collected from Bay St. Louis, Waveland and Clermont Harbor by the American Legion Auxiliary on Poppy Day.

The money made on the Poppy Sale is used only for Veterans and Veterans families.

Each year at Christmas time this unit purchases gifts to send to the VA hospitals so the veterans can have them to send to their families. This is only part of this unit's activities toward the veteran and his family.

Mrs. Snedecker's New Book Is Published

Bay St. Louis' own Caroline Dale Snedecker of 111 Citizen Street has had two outstanding experiences this spring. She celebrated her 84th birthday and the publication of her 13th book.

"A Triumph For Flavius" (Lothrop, Lee and Shepard publishers) is recommended by a literary critic of the New York Herald Tribune as "an unusually well-written book of fiction."

It is an exciting, easily read story about a boy of Roman times. The background problems of slavery and conquest by war are deftly handled and information about Roman life, sports, schools, religion, customs are cleverly woven into the story.

TO THE VOTERS OF BEAT
ONE HANCOCK COUNTY,
MISSISSIPPI

I wish to take this opportunity to announce my candidacy for Board of Supervisors, Beat No. 1, Hancock County, in the August Primary. It has been my ambition to serve as Board of Supervisor for some years.

My brother, Joseph C. Jones, served for approximately eight years, and I assisted him in whatever way I could. Since his death I have decided to offer myself as a candidate.

I hope to see all of the voters of Beat One before the August Primary, however, in the event something should prevent me from personally seeing you, I earnestly solicit your vote and influence.

Respectfully,
Johnnie D. Jones, Sr.

In announcing my candidacy for reelection to the office of Clerk of Courts, I first wish to express my deep appreciation for the confidence you have placed in me in the past year electing me to this important office.

I also wish to state that it has been an honor and a pleasure to serve you and I earnestly hope you will place in me the same confidence that you have in the past in order that I may again serve you during the coming four years.

I have endeavored to bring you honest, efficient, capable, and courteous service and feel that my record speaks for itself as we go into this, another campaign, together.

It always has been, and still remains my policy, to remain free of any political group or faction but attend solely to the affairs of my own office and run my campaign in a manner that will maintain the dignity of the important office for which I ask reelection.

My experience and "know how" that I have gained makes it easier to cope with the problems that we are confronted with today and the problems that will come tomorrow.

I sincerely trust that you will weigh my record carefully and balance it with the weight of experience I have gained in the operation of this important office.

In carrying on the affairs of this office, it will be practically impossible for me to see each and every individual and I trust that you will appreciate my position in having to remain on the job as much as possible.

In closing I again wish to express my appreciation for your kindness and support in the past, also, your kind words and letters of confidence and trust that you will again favor me on August 2nd by reelecting me as your Clerk of Courts.

Respectfully,
A. C. (Mitch) Mitchell.

Necessity is the Mother of Invention

You and your neighbors are using more natural gas every year. To meet the rising demand, the gas industry has developed amazing tools and techniques that help locate new reserves of gas two miles and more down in the earth.

Behind the adequate, dependable supply of gas you enjoy are trillions of cubic feet of reserves. They are made possible by the 'round-the-clock exploration and drilling program of producers who invest many millions of dollars each year to assure future supplies. It's a risky business, but the producer, with your encouragement, will continue finding new fields, for he understands...

ELECT

FRED GARNER
Sheriff & Tax Collector

If I am elected to the office of Sheriff and Tax Collector of Hancock County I promise

(1) To surround myself with a force of good, clean, honest and efficient men and women, to assist me in carrying out my duties as sheriff and tax collector.

(2) I will see that there are no typ joints operating in Hancock County and none of my deputies will be involved in speed traps on our highways.

(3) I will work with all civic organizations for the good of the people of the community and County.

(4) I will treat my fellow man as I would like to be treated regardless of race, creed or color.

(5) With the permission of the Board of Supervisors, I will clean up and paint and redecorate the Sheriff's office so that it will be a pleasant place to look at as well as a place to pay taxes.

(6) There will always be a night jailer, as well as a deputy on duty 24 hours each day.

(7) There always will be a deputy on duty to provide you with a prompt and efficient service.

cer, when needed as well as to serve you promptly when you come to pay taxes, or other service.

(8) If I am approached by any person on the subject of locating an industry in our county I will refer them to the Board of Supervisors, the mayor or the city commissioners; the Chamber of Commerce for correct information and help and will personally assist them in every way I can do so.

(9) No platform is complete in my estimation that makes no provision for the good of the children. I will try and eliminate juvenile delinquency in our county by encouraging the children to take more active part in our churches and in civic affairs.

(10) I plan, if elected to sponsor a supervised play ground, at my own expense, tennis courts, archery, base ball, horse back riding, golf, driving range and other good, clean sports and amusements. It will only be a short time until these youngsters will be the leaders of our community and their training in good citizenship is of vital importance.

Following this same line of thought I expect to give parties to regular intervals in the future.

the children so they will learn to know and to trust me and feel that I am their friend.

This will give them all a place in the social life of the county and a sense of being a part of it. At these supper parties will always have some good after-dinner speaker who will speak to them on subjects of interest and always impressing on them the need for good citizenship.

This is my first bid for public office. I am a working man and as much as I would like to do so I will not be able to call on all of you for your support and your vote.

I am in the painting, decorating and building business here in Bay St. Louis and also am a farmer. I am 48 years old and a veteran of World War II where I served as a Staff Sergeant in the Army Medical Corps for 3 years. I was in charge of Orthopedic Service with 200 men under my supervision. I am a member of the American Legion, The Painters and Decorators Union and a member of the State Farm Bureau.

If I am elected, I will strive to serve you to the very best of my ability.

I thank you for your courtesy and support.

Cherish Credit

"As a very important source of strength and security, cherish public credit," said the Father of our country in his Farewell Address.

"One method of preserving it, is, to use it as sparingly as possible: avoiding occasions of expense by cultivating peace, but remembering also that timely disbursements to prepare for dangers frequently prevent much greater disbursements to repel it—avoiding likewise the accumulation of debt, not only by shunning occasions of expense, but by vigorous exertion in time of peace to discharge the debts which unavoidable wars may have occasioned, but ungenerously throwing upon posterity the burden which we ourselves ought to bear."

How far we have strayed from the wisdom of one who was first in war, first in peace and first in the hearts of his countrymen. He was the young Republic's richest and most important citizen, who put his all upon the altar of freedom. He had known hunger and had suffered the hardships of what seemed at times a losing fight.

To "cherish public credit" is to pay our honest debts promptly, balance our budgets and live within our means, all to the end that we may be financially prepared to meet the emergencies that always come. Even in a cold war or in a hot peace, it is as important to keep our credit unimpaired as it is to keep our powder dry and our guns loaded.

And what's good for the individual is good for the country, for the nation is but an aggregation of individuals. And every man knows its smart in prosperous times to pay one's debt and put a little by for the pinch-times that always come when least expected. George Washington knew that hard times more often spring from abundance than from scarcity.

Individually and collectively, we cannot prosper for long on private extravagance and public waste. Thrift and economy are the cornerstones of our financial security, and to cherish credit is to build our future upon a firm foundation. General George Washington, the country's first president, were he alive today, would warn us to forego spending. That's common sense.

RAY BORDAGES SEEKS ELECTION AS SHERIFF

I wish, at this time, to make my announcement as a candidate for Sheriff and Tax Collector of Hancock County.

I was born and reared in Lakeshore, Hancock County. My parents were the former Mary Yarbrough and John J. Bordages both native citizens of Hancock County.

I graduated from the Lakeshore public school and attended St. Stanislaus College in Bay St. Louis. I am forty-four years old, and this is my first time to seek any public office.

I am a veteran of World War II and served thirty-two months in Africa and Italy. I am a member of the American Legion.

I am an independent candidate. If elected to this important office, I will not be obligated to any political ring.

I will be fair and impartial to all men regardless of race and creed.

I will have a sufficient number of qualified clerks to help out during the tax paying rush.

I will see that my deputies will not operate "speed traps" on our highways, but will enforce the traffic laws.

At the present time, my brothers and I own and operate Bordages Bros. Fishing Camp at Lakeshore on Bayou Cad.

I will try to see all of you personally, but if I do not have that opportunity, please accept this announcement as a personal call and give me your favorable consideration and action at the Polls on August 2nd.

Respectfully yours,
Ray J. Bordages.

J. F. (RATT) STEWART ANNOUNCES FOR SENATOR

J. F. (Ratt) Stuart has authorized The Echo to announce his candidacy for the office of State Senator from the 40th District in the Democratic primary to be held in August.

Mr. Stuart hardly needs any introduction to the voters of the district having served in the legislature from Pearl River County, coached at Pearl River College, served the college as president, taught in many schools throughout South Mississippi, served with the State Game and Fish Commission and with the State Public Service Commission.

He has had wide experience in public life and knows the background of the problems confronting the people today.

Mr. Stuart's statement follows:

To the Electorate of the 40th Senatorial District, composed of Lamar, Pearl River and Hancock Counties:

In announcing my candidacy to you for the State Senate post, may I state first, that I have on this date tendered my resignation to the State Game and Fish Commission as Education Director.

I count it a privilege to have been reared on a farm in Pearl River County, and to have earned my way through high school, through Mississippi College to an A. B. Degree and through Missouri University to an M. A. degree.

I have a profound respect for any man or woman who

earns a livelihood with their hands whether it be in field or factory. For 25 years I have taught in public secondary schools, junior and senior colleges. I was the first native son to coach at Pearl River Junior College. Both years that I was coach we won the State football championship, two of the three ever won by the institution. I was later elected president of the college from 1932-1938. For eight years I was an instructor at Mississippi Southern College.

In 1947, Pearl River County again honored me by electing me as state representative, to the state legislature. In the House of Representatives I gave my best effort to serve my county and my state with honor. I voted my convictions without being influenced by lobbyists or power groups. I stayed on the job every day that we were in session, not missing a roll call. I am grateful to my colleagues for the support that they gave to measures that I introduced and that became laws. Some of these measures are:

1. Non-Communist oath for all state employees; (2) 30-year retirement for teachers; (3) Bangs and disease control; (4) artificial insemination; (5) dipping sheep so that the quarantine could be lifted; (6) multiple adoption of text books; (7) designating the highway from Columbia to Bay St. Louis (joined by Lee of Hancock and Dunnaway of Mar-

shall); (8) designating the highway from Poplarville to Wiggins (joined by Holloman of Stone); (9) setting up of a junior college commission for approving new junior colleges.

In 1950 I proposed that we earmark 25 millions of the State's surplus for Negro schools. The days ahead could be perilous. Segregated public schools are a must, and our only course is to build adequate buildings for the Negroes. It is a moral and political obligation of our state and a Federal mandate. I believe we should face the problem and solve it. I was among the staunch friends who amended the appropriation bills in 1948 and in 1950 for public schools and for welfare (old people). Is not a record of performance worth more than promises?

Knowing that the State gets all of its revenue from the taxpayers' pocket, I am unwilling to promise a definite amount to any department or agency, since I consider a promise an obligation. I will make every effort to put all the money the state can afford in the Welfare Department, as the federal government puts up four dollars to every one dollar the state puts up.

I hope to see all of the people in the 40th district and discuss the issues that confront our society. The voters are the sovereign of a democracy. I am humbly asking that you elect me to the State Senate so that I may continue the effort that I made from 1948 to 1952. Vote for J. F. "Ratt" Stuart. Thank you.

CHARLES LAVINGHOUSE TO RUN FOR SUPERVISOR

To the Voters of Supervisors District No. 3, Hancock County:

I take this as a means of announcing my candidacy for the office of Board of Supervisors, Beat 3, Hancock County. After much serious consideration about the problems of the people of my beat and those of the people of the entire County I have reached the conclusion that it is time for any and all public spirited citizens to take some decisive action toward the betterment of the conditions that exist in our County.

I realize that no one individual or few individuals can shoulder all of the responsibilities of County government. On the other hand, I know that all of the people of our County are not indifferent about the affairs of our County and the way they have been handled. I feel certain that there are many of you good people who are doing your part towards the betterment of our beat and county. I would like to join hands with all those who stand for progress and honesty in the administration of our County government; and I shall gladly devote my time and efforts towards the achievement of that purpose.

It is my belief that no public officials decision should be based on snobishness and snobbery, but on the basis of the needs of the people. I am not a person who is concerned with the achievement of the people. I am a person who is concerned with the achievement of the people.

I am asking that you try a young man with a desire to be a part of an aggressive and progressive administration. Since I am quite sure that I am personally acquainted with all of the people in Beat 3, I shall not burden you with my personal or family background. I would like to see each and every voter in my

beat before election; and please be assured that I shall attempt to do just that. In the event that I do not get a chance to see you personally, I shall deeply appreciate your consideration of my candidacy and any support you see fit to give me.

Respectfully submitted,
Charles Lavinghouse, Commander. I have been do-

BOYCE HOLLEMAN SEEKS RE-ELECTION AS DISTRICT ATTY.

TO THE PEOPLE OF THE SECOND JUDICIAL DISTRICT:

I take this opportunity to make my formal announcement as a candidate for re-election to the office of District Attorney of the Second Judicial District of Mississippi.

My opponent in this opening election has announced the election of two years ago which was decided by the Mississippi Supreme Court as a paramount issue in the campaign. The real issue is who is best qualified to serve you as District Attorney. However, since he has made what I consider to be the most flagrant misrepresentation regarding the election, I think the people are entitled to know the facts and I am prepared to answer with the truth.

Two years ago I asked the people of this District to elect me as their District Attorney. I campaigned in that election without the support of any newspaper and without the support of those who knew that I was a better qualified person than my opponent. I was elected by the people of this District.

HORN FLIES
Have you put up your homemade backrubber yet. Maybe you wonder where is best to place for it. Several suggestions for placing the backrubber are:
Place it near your mineral box as animals make frequent visits here. Another good place is where the animals loaf. Near the stock pond is another good place. Other places to locate the homemade backrubbers are under side sheds or loafing sheds or just out in pastures.
The homemade backrubber offers a good method of controlling horn flies without having to round up the cattle, pen and spray them. It can be made out of scrap material. All you will need is barbed wire, old sacks and oiled twine.
